FAT FOLKS LEARN HOW TO REDUCE YOUR WEIGHT

A Simple, Safe, Reliable Way.

People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around 5 or 10 pounds of unhealthy fat are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation, diet or tiresome exercise, spend as much time as you can in the open air, breathe deeply and get from any good druggist a box of tasco; take one tablet after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Tasco is absolutely harmless, is pleasant to take, helps digestion and is designed to consume the excessive fatty tissue by increasing the oxygen-carrying power of the blood. Even a few days' treatment should show a noticeable reduction in weight, foot-
